January 12-16, 2018

Attachment, Section 2

The Jerusalem Institute for Policy Research, Milken Innovation Center is hosting a Financial Innovation Lab – a joint venture between the Ministry of Energy, Israel Innovation Authority, and the Jerusalem Institute for Policy Research, Milken Innovation Center – and has asked for participation from the California Energy Commission.

Section 3.2

With direction from CalEPA's Deputy Secretary for Border and Intergovernmental Relations, Commissioner Hochschild's participation in this event will advance cooperation between California and Israel in achieving the goals identified in both the California – Israel MOUs, specifically to strengthen economic and research ties in alternative energy and advance cooperation on research and development projects. Also this visit will serve as a platform for Commissioner Hochschild to continue conversations that were started in Bonn, Germany, during the Conference of Parties (COP 23) between the Deputy Secretary for border and Intergovernmental Relations and Israel's Ministry of Environmental Protection regarding Israel's potential endorsement of the Governor's Under2 MOU and their attendance/participation in the upcoming Global Climate Action Summit in San Francisco, this September.
